VISION

All children will arrive at school ready to learn and succeed, both in school and in life.

Your donations to **First Chance for Children**, and the families they serve, will support literacy in and around Boone County, providing books to families and allowing children to be better prepared for school and more likely to succeed!!

How YOU can help:

- Donate new or gently used books appropriate for children 0-5 years old (board books preferred but any books are great).
- Make a cash (or check) donation. Funds raised will be used to purchase new books!
