Communications Advisory Group

A Communications Advisory Group has been formed to assist the Communications Officer in implementing the recommendations of the Communications, Marketing and Public Relations Final Report.

The group’s primary objectives are:

- To undertake activities that establish a clear and positive image of the libraries in the university community;
- To build an internal marketing culture by keeping staff informed of marketing activities and goals and by encouraging staff to participate and contribute ideas for marketing endeavors; and
- To establish a consistency in communication methods and style by providing advice and coordinating the planning, development, and production of promotional products, events, and activities for the libraries.

Group Members: Goodie Bhullar, Cindy Dudenhoffer, and Rebecca Graves.

The Staff Representative Committee represents … You!

Since 1978, the Staff Representative Committee (SRC) has been facilitating communication between MU Libraries employees and the administrative structures. Each of five areas (Administrative Services/SCaRaB, Access Services, Reference Services, Technical Services and Branches) has an elected representative to the committee. These persons represent both exempt and non-exempt employees of the MU Libraries within their division.

The committee discusses issues which might be facing MU Libraries employees, determines if an issue should be brought forward to some administrative structure or referred to a different body, and seeks answers to questions posed by employees. The chair of the SRC (or a designee) meets regularly with the Director of the Libraries and/or with a designated administrative body to assure that the flow of information is two-way.

All communication with SRC members is held in strictest confidence. Your identity will not be given. You may contact the SRC with a question or an issue in a number of ways:

• Speak directly to an representative (yours or another) as listed below
• Drop a note in the SRC comment/suggestion box in the Ellis Staff Lounge
• Fill out an online comment/suggestion form at: http://mulibraries.missouri.edu/src/comments.html. This form will be emailed to the committee without identifying the sender in any way, so it is completely anonymous, unless you include your contact information

Answers to comments/suggestion will be posted on the SRC Archives of Comments/Suggestions page at: http://mulibraries.missouri.edu/src/archives.html.

We encourage you to make use of other resources available to you within the Libraries and on campus, and your SRC representative may be able to assist you in locating the correct service or representative.
