Discussion

Muse: may need to approach individuals. Print run will depend on content. Games theme? Karla: games not to buy. Library Haiku contest??

December party brainstorm: we want lots of small door prizes but not as many raffle prizes as before

Rachel will look for the 10/\$10 mugs at Gerbes; other small prizes for all comers; Rachel has gift wrappers as raffle prize for those who bring own plateware

Send your additional door prize ideas in the \$5-\$15 range to Ruthe

Spotlight Awards: Karla's waiting for her computer to connect to the color printer for October Spotlight awards

Community Service opportunity (Karla): nursery plants turnips & church groups pulls turnips to donate to Food Bank; this happens Saturday - can MULSA announce?

Yes, as part of announcement about food drive contest, that "sweat equity" will count toward department totals, sent out by Tammy (Karla will write up). She should review rules of department contest for food drive (or better yet link to the rules if they're posted in the Muse somewhere).

Ruthe expects to hear soon about the adopted family.
