MM

CTDA Members

All members have rights and responsibilities

1. **Ownership**
All assets are owned and managed by the members

2. **Control**
Members set the access and use parameters of their content

3. **Responsibility**
Ensure that content is theirs to deposit, and that IP rights are respected

CTDA

1. **Provides…**
Provides a technology infrastructure to manage, preserve, and make available digital content

2. **Supports**
Members with training, resources, and collaborative opportunities

3. **Advises…**
Current and potential members about CTDA programs and alternatives to make sure needs are met
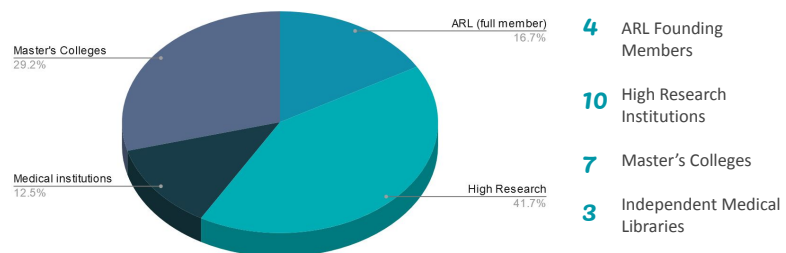

Greetings from TDL staff :)

Texas Digital Library builds capacity for preserving, managing, and providing access to unique digital materials of enduring value.

TDL AWARDS

Meet the OER Ambassadors

The Texas Digital Library stands **against racism** and with those working to **end systemic injustices**.

Read our statement against racism.

Community Support

What are the benefits of joining a collaborative organization?

How would you characterize your members' responsibilities to the collective?

In the next year, what changes would you like to see in your consortia?

Thank you!

Please complete the online evaluation form.
A link was sent to your email address.
You can edit your responses until you click submit.
