

Attention Users of Ellis Library

Elevators Are Out of Service on Feb. 25

We regret to inform you that due to scheduled repairs, the two, ground-to-fourth-floor elevators will NOT be operational on Friday, Feb. 25. (The ground-to-first-floor elevator in the Information Commons will be working, however.) See map below for location of the elevators.

If you are unable to use the stairs, and if you need assistance retrieving resources from the upper floors, please inquire at the Reference Desk on the first floor, 882-4581. Someone there will be able to arrange assistance for you.

Questions? Contact Ellis Library Security at 882-4220 or Cindy Cotner, 882-4693.
